Lesson Procedures

Rider's are expected to tack and untack their horses—with assistance if necessary. To ensure that you are not rushing around the horses, please **arrive 45 minutes to a ½ hour earlier** than the scheduled ride time for tacking. Plan on remaining 45 minutes to a ½ hour after the riding lesson is finished for untacking, cooling out and bathing..

Riding Attire: Approved Helmet and riding boots are mandatory.

Payment and Scheduling

Riders must pay for lesson packages by the 1st of each month. Riders are expected to write their names in the schedule book located at the indoor arena. Students must give **24 hours notice of cancellations** and are responsible for rescheduling that lesson **before the end of the month**. For cancellations within 24 hours, or no-shows, the rider will be charged for the lesson.

The rider is responsible for taking the lessons in each monthly package before the end of the month; **packages expire on the last day of each month**. There will be no refunds for lesson payments.
